

RUAPEHU SKI CLUB MEMBERSHIP

Please complete the attached application and email a scanned copy, or photograph to us.

Once we have received your application, we'll either contact your sponsors, or a committee member will call you before we confirm your membership.

All new senior members are required to attend two summer work parties to complete their membership. Summer members need to attend one party. These provide a great introduction to club life and an opportunity to meet other members.

Questions? Please don't hesitate to contact our Office Administrator.
